Rollovers, Interest

A daily financing charge may apply to each FX/CFD open position at the closing of Namir Trade LTD trading day as regard to that FX/CFD. If such financing charge is applicable, it will either be requested to be paid by Client directly to Namir Trade LTD's or it will be paid by Namir Trade LTD's to Client, depending on the type of FX/CFD and the nature of the position Client holds. The method of calculation of the financing charge varies according to the type of FX/CFD to which it applies. Moreover, the amount of the financing charge will vary as it is linked to current interest rates (such as LIBOR). The financing charge will be credited or debited (as appropriate) to Client's account on the next trading day following the day to which it relates.

Namir Trade LTD's reserves the right to change the method of calculating the financing charge, the financing rates and/or the types of FX/CFDs to which the financing charge applies. For certain types of FX/CFDs, a commission is payable by Client to open and close FX/CFD positions. Such commission payable will be debited from Client's account at the same time as Namir Trade LTD's opens or closes the relevant FX/CFD. Changes in our swap interest rates and calculations shall be at our own discretion and

without notice. Clients need to always check our website for the then current rates charged. Rates may change quickly due to market conditions (changes in interest rates, volatility, liquidity etc.) and due to various risk related matters that are at the firm's sole discretion.

For the platform:

The future contract on which a CFD is based has an expiration date, and clients will be able to close their CFD positions until this date. In order to insure continuous trading conditions for the client, when a future contract that a CFD is based on reaches its maturity, the underlying asset of that CFD will be switched to the next maturity of the same futures contract. A calendar of such rollovers is mentioned on the company's website, section "Documentation/Standard Specifications". For the best interest of the client, rollovers will also be notified in the "Internal news" section of the website, at least 5 hours prior to the rollover. A premium will be either added or subtracted from the client's account, based on the difference in prices between the two futures contracts.

Any open FX/CFD transaction held by Client at the end of the trading day as determined by Namir Trade LTD or over the weekend, shall automatically be rolled over to the next business day so as to avoid an automatic close and physical settlement of the transaction. Client acknowledges that when rolling over such transactions to the next business day, a premium may be either added or subtracted from Client's account with respect to such transaction. The trading platform calculates overnight rollover at 21:00 GMT and the rollover charge/credit is debited or credited to and from the trading account. Example: If you sell 1 lot EURUSD, you will pay rollover costs on 100.000 Euro, which at the current rate would be \$0.017. This rate may vary over time, for actual rates please check the "Standard specifications" on our website.

On Wednesday at 21:00 GMT, overnight rollover fees are multiplied by three (x3) in order to compensate for the upcoming weekend. The premium amount shall be determined by Namir Trade LTD from time to time, in Namir Trade LTD's absolute discretion. Client hereby authorizes Namir Trade LTD to add or subtract the premium to or from Client's account for any open transaction that have accrued a premium, in accordance with the applicable rate thereto, each day at the time of collection specified on the trading platform for each individual instrument, as applicable.

Placing of instructions

You may give us instructions in electronic form through the Namir Trade LTD Online Trading System. If any instructions are received by us by telephone, computer or other medium we may ask you to confirm such instructions in writing. We shall be authorized to follow instructions notwithstanding your failure to confirm them in writing. In this Agreement “instructions” and “orders” have the same meaning.

Types of Orders Accepted

Some of the types of orders Namir Trade LTD accepts include, but are not limited to:

- a) Good till Cancelled (“GTC”) – An order (other than a market order), that by its terms is effective until filled or cancelled by Client. GTC Orders are not automatically cancelled at the end of the Business Day on which they are placed.
- b) Limit – An order (other than a market order) to buy or sell the identified market at a specified price. A limit order to buy generally will be executed when the ask price equals or falls below the bid price that you specify in the limit order. A limit order to sell generally will be executed when the bid price equals or exceeds the ask price that you specify in the limit order.
- c) Market- An order to buy or sell the identified market at the current market price that Namir Trade LTD provides via the Online Trading System. An order to buy is executed at the current market ask price and an order to sell is executed at the current market bid price.
- d) One Cancels the Other (“OCO”) – An order that is linked to another order. If one of the orders is executed, the other will be automatically cancelled.
- e) Stop Loss – A stop loss order is an instruction to buy or sell a market at a price which is worse than the opening price of an open position (or worse than the prevailing price when applying the stop loss order to an already open position). It can be used to help protect against losses. Please note that because of market gapping, the best available price that may be achieved could be materially different to the price set on the stop loss order and as such, stop loss orders are not guaranteed to take effect at the price for which they are set.
- f) Trailing Stop – A trailing stop is the same as a stop loss order with the only difference being that, instead of setting a price at which the order is activated, the trailing stop order is activated at a fixed distance from the market price. For example, if Client has purchased a long open position and the market ask price increases, the trailing stop price will also increase and will trail behind the market ask price at the fixed distance set by Client. If the market ask price then decreases, the trailing stop price will remain fixed at its last position and if the market ask price reaches the trailing stop price, the order will be executed. Please note that because of market gapping, the best available price that may be achieved could be materially different to the price set on the trailing stop order and as such, trailing stop orders are not guaranteed to take effect at the fixed distance for which they are set. Following submission of an order, it is your sole responsibility to remain available for order and fill confirmations, and other communications regarding your Account until all open orders are completed. Thereafter, you must monitor your Account frequently when you have open positions in the Account.

Your order shall be valid in accordance with the type and time of the given order, as specified. If the time of validity or expiration date/time of the order is not specified, it shall be valid for an indefinite period.

g) Gap – a break between prices that occurs when the price of an asset makes a sharp move up or down with no trading occurring in between. Gaps can be created by a number of factors including regular buying or selling pressure, earning announcements, or any other type of news release. If a market gaps through all orders will be filled on a best efforts basis at first available price (not order level).

Currency of Trades

Unless otherwise specified by Namir Trade LTD, all trades shall be made in United States Dollars (USD).

Terms of Acceptance for Orders

You can place an Order via Namir Trade LTD's Trading Platform. Once your instructions or Orders are received by Namir Trade LTD, they cannot be revoked, except with Namir Trade LTD's written consent which may be given at Namir Trade LTD's sole and absolute discretion. Namir Trade LTD shall have no liability for failure to execute orders. Namir Trade LTD shall have the right, but not the obligation, to reject any order in whole or in part prior to execution, or to cancel any order, where your Account contains funds that are insufficient to support the entire order or where such order is illegal or otherwise improper.

Namir Trade LTD may, in certain circumstances accept instructions, by telephone via Namir Trade LTD's Dealing Room, provided that Namir Trade LTD is satisfied, at its full discretion, of your identity and Namir Trade LTD is further also satisfied with the clarity of instructions. In case of an Order received by Namir Trade LTD in any means other than through the Trading Platform, the Order will be transmitted by Namir Trade LTD to the Trading Platform and processed as if it was received through the Trading Platform. It is understood that an Order will not be affected.

In the event that Namir Trade LTD wishes to confirm in any manner any instructions and/or Orders and/or communications sent through the telephone, it reserves the right to do so. You accept that there is a risk of misinterpretation or mistakes in the instructions or Orders sent through the telephone, regardless of what caused them, including, among others, technical failures.

Execution Policy

We are required to have an execution policy and to provide our clients with appropriate information in relation to our execution policy. Namir Trade LTD takes all reasonable steps to obtain the best possible results for its Customers. Namir Trade LTD's Best Execution Policy sets out a general overview on how orders are executed as well as several other factors that can affect the execution of a financial instrument. Where you place orders with us, the execution factors that we consider and their relative importance is as set out below:

1. Price. The relative importance we attach is "high".

2. Speed. The relative importance we attach is “high”.

3. Likelihood of execution and settlement. The relative importance we attach is “high”.

4. Size. The relative importance we attach is “high”.

We are the principal to every order you place with us and therefore we are the only execution venue.

Authority

We shall be entitled to act for you upon instructions given or purporting to be given by you without further enquiry as to the genuineness, authority or identity of the person giving or purporting to give such instructions provided such instruction is accompanied by your correct Account number and password. If your Account is a joint account, you agree that we are authorized to act on the instructions of any one person in whose name the Account is held, without further inquiry. We shall have no responsibility for further inquiry into such apparent authority and no liability for the consequences of any actions taken or failed to be taken by us in reliance on any such instructions or on the apparent authority of any such persons.

Cancellation/withdrawal of instructions

Orders may be cancelled via the Namir Trade LTD. Online Trading System but we can only cancel your instructions if you explicitly request so, provided that we have not acted up to the time of your request upon those instructions. Executed instructions may only be withdrawn or amended by you with our consent. Namir Trade LTD shall have no liability for any claims, losses, damages, costs or expenses, including legal fees, arising directly or indirectly out of the failure of such order to be cancelled.

Right not to accept orders

We may, but shall not be obliged to, accept instructions to enter into a Transaction. If we decline to enter into a proposed Transaction, we shall not be obliged to give a reason but we shall promptly notify you accordingly.

Control of orders prior to execution

We have the right (but no obligation) to set limits and/or parameters to control your ability to place orders at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation):

1. controls over maximum amounts placed to open a position using any of Namir Trade LTD’s products;
2. controls over maximum positions placed per trader and per asset;

3. controls over our total exposure to you;

4. controls over prices at which orders may be submitted (to include (without limitation) controls over orders which are at a price which differs greatly from the market price at the time the order is submitted to the order book);

5. controls over the Electronic Services (to include (without limitation) any verification procedures to ensure that any particular order or orders has come from you); or

6. any other limits, parameters or controls which we may be required to implement in accordance with Applicable Regulations.

Should you surpass the limits and/or parameter we set, your trade shall be blocked and/or suspended.

The position limits will be notified in advance to you either through Namir Trade LTD's website or trading platforms.

Trade Adjustments

Clients must be aware that Forex transactions carry a high degree of risk. The amount of initial margin may be small relative to the value of the foreign currency so that transactions are 'leveraged' or 'geared'. A relatively small market movement may have a proportionately larger impact on the funds that the Client has deposited or will have to deposit. This may work against as well as for the client. Namir Trade LTD exclusively reserves the right to widen its variable spreads, adjust leverage, change its rollover rates and/or increase the margin requirements without notice under certain market conditions including, but not limited to, when the trading desk is closed, around fundamental announcements, as a result of changes in credit markets and/or at times of extreme market volatility. In such circumstances, the Client agrees to indemnify Namir Trade LTD for any and all losses that may occur due the widening of spreads and the adjustment of leverage.

Execution of orders

We shall use our reasonable endeavors to execute any order promptly, but in accepting your orders we do not represent or warrant that it will be possible to execute such order or that execution will be possible according to your instructions. If we encounter any material difficulty relevant to the proper carrying out of an order on your behalf we shall notify you promptly.

Confirmations

At the end of each trading day, confirmations for all Transactions that we have executed on your behalf on that trading day will be available via your online Account on our website. It is your responsibility to notify Namir Trade LTD if any confirmations are incorrect. Confirmations shall, in the absence of manifest error, be conclusive and binding on you, unless you place your objection in writing within 5 Business Days. You may request to receive the Account statement monthly or quarterly via email, by providing such a request to Namir Trade LTD, but Namir Trade LTD is not obliged to provide you with the paper Account statement. The Account statement may be provided at the expense of the client.

Cancellation of trades

We have the right to reject an order or to cancel a transaction if we have adequate reasons/evidence that the following have occurred:

1. fraud/illegal actions that led to the transaction,
2. any instance when Namir Trade LTD has cause to believe that a person's trading activities may be illegal;
3. any instance where Namir Trade LTD may suffer any fiscal, regulatory, or pecuniary disadvantage by virtue of anyone's activities;
4. any instance where one or more transactions are judged by Namir Trade LTD to have been performed in violation of this Agreement.
5. orders placed based on manipulated prices as a result of system errors or system malfunctions,
6. arbitrage trading on prices offered by our platforms as a result of systems errors; and
7. coordinated transactions by related parties in order to take advantage of systems errors and delays on systems updates.

We reserve the right to cancel any and/or all trading positions and withhold and/or forfeit any profits incurred by the Customer on all the Customer's trades if we consider that that the Customer has engaged in market Arbitrage.

Disabling and Cancelling Deposits

We have the right not to accept funds deposited by you and/or to cancel your deposits in the following circumstances:

1. if you fail to provide with any documents it requests from you either for client identification purposes or for any other reason;
2. if Namir Trade LTD suspects or has concerns that the submitted documents may be false or fake;
3. if Namir Trade LTD suspects you are involved in illegal or fraudulent activity;
4. if Namir Trade LTD is informed that your credit or debit card (or any other payment method used) has been lost or stolen;
5. where Namir Trade LTD considers that there is a chargeback risk; and
6. when you deposit \$3,000 or more or if you make over 10 separate deposits to your trading Accounts and Namir Trade LTD is unable to verify your credit or debit card details or is unable to verify any other payment method used.

In case of cancelled deposits, and if there is not a confiscation of your funds by a supervisory authority on the grounds of money laundering suspicion or for any other legal infringement, your funds will be returned to the bank account that have been initially received.

Performance and settlement

You will promptly deliver any instructions, funds, or documents deliverable by you under a Transaction in accordance with that Transaction as modified by any instructions given by us.

Position limits

We may require you to limit the number of open positions which you may have with us at any time and we may in our sole discretion close out any one or more Transactions in order to ensure that such position limits are maintained.

Roll Over

In certain market conditions you may be allowed to trade using the Roll Over feature. The Roll Over feature enables you to extend the expiration time of your trading position before it reaches the expiry date. This feature can be used subject to the following conditions:

1. An additional 30% of the initial deposit must be added automatically to your initial investment.
2. The Roll Over feature can only be used in cases where the progress of the followed price does not take the direction which you had anticipated.
3. You can only use the Roll Over feature once for each trading position.
4. The Roll Over feature shall only be available up to 15 minutes before the expiry time.

Improper or Abusive Trading

Namir Trade LTD's objective is to provide the most efficient trading liquidity available in the form of streaming, tradable prices for most of the financial instruments we offer on the trading platform. As a result of the highly automated nature of the delivery of these streaming, tradable prices, you acknowledge and accept that price misquotations are likely to occur from time to time.

Should you execute trading strategies with the objective of exploiting such misquotation(s) or act in bad faith (commonly known as 'sniping'), Namir Trade LTD shall consider this as unacceptable behavior. Should Namir Trade LTD determine, at its sole discretion and in good faith, that you or any representative of yours trading on your behalf is taking advantage, benefitting, attempting to take advantage or to benefit of such misquotation(s) or that you are committing any other improper or abusive trading act such as for example:

- a) fraud/illegal actions that led to the transaction;
- b) orders placed based on manipulated prices as a result of system errors or system malfunctions;

c) arbitrage trading on prices offered by our platforms as a result of systems errors; and/or

d) coordinated transactions by related parties in order to take advantage of systems errors and delays on systems updates.

Then Namir Trade LTD will have the right to:

1) adjust the price spreads available to you; and/or

2) restrict your access to streaming, instantly tradable quotes, including providing manual quotation only; and/or

3) obtain from your account any historic trading profits that you have gained through such abuse of liquidity as determined by us at any time during our trading relationship; and/or

4) reject an order or to cancel a trade; and/or

5) immediately terminate our trading relationship

Trailing Stop functionality in case that platform terminal is closed

In the event that the trading platform client terminal is closed, trailing stop will not work. This happens as the trailing stop works on the client terminal side and in this respect, if the client terminal is closed, only the stop loss that was placed by trailing stop before the closing of the terminal can trigger.

Withdrawals

However, when a client holds a long CFD position, Namir Trade LTD shall pay the equivalent of the dividend to that client and deduct the equivalent from any client holding a short CFD position. Each asset has its own trading time, these can be found in the asset index table. On the trader’s page, the trader will be able to see the time “left to expiry” and “time left for trading”.

In general “no trading times” can last between 2 minutes to 30 minutes before the expiry time, these times vary from asset to asset, they also vary according to market conditions and the expiry time of each asset and may change as a result of a change in one of the underlying asset base conditions.

At least 5 minutes before the “no trading time”, a notification with a countdown clock will appear on the trader’s screen, this countdown clock will counting down the time left to the “no trading time”.

Scope

These clauses apply to your use of our “One Touch” Service.

“In-The-Money” and “Out-Of-The-Money” Outcomes

If the asset reaches the predetermined rate at precisely 17.00 GMT of the same day, the client becomes eligible to receive the payout of up to 500% at the time of the expiration. If, however, the investment is out-of-the-money on any day, the trade will stay open and be checked each day to see if the price has reached the predetermined rate needed for an in-the-money outcome. The trade will remain open until the Friday, at which point the trade expires.

Purchases, Payouts and Refunds

The client may purchase One Touch options whenever the market for the given asset is closed. It should be noted that in order for the client to receive the payout, the sample price of the underlying asset needs to reach or surpass the pre-set target rate only once during the option lifetime. In the event that the price of the underlying asset does not reach the predetermined level, the client will not receive any refund and will forfeit the entire amount of the investment. Therefore, the amount of profit or risk in this option is preset and known ahead of time.

The option may only be purchased in units, at the price specified on the site. The options will be sampled (checked to verify if they hit the target rates) once a day, at 17.00 GMT, Monday through Friday. Whenever sample rates are not published five times during the week, the number of samples will be reduced accordingly.

The predetermined payout will be transferred to the client’s account on the option expiration date, even if the terms of the option have been met prior to the date of expiration.

Control of orders prior to execution

In case of technical failure of the trading platform or in case of extraordinary or abnormal fluctuations of the price of the financial instrument as offered in the market, we reserve the right, at our absolute discretion:

1. not to execute the order;
2. to change the quoted price of the option(s);
3. to change the rate of return the option(s) offer;
4. to place a limit on the investment amount of each option or on the number of units available for purchase;
5. to cease the sale of the options or to offer you a new quote.

In the event we offer you a new quote you have the right to either accept it or refuse it and thus cancel the execution of the Transaction.

Without limitation, we do not accept any liability by reason of any delay or change in market conditions before any particular Transaction is affected.

Cancellation of Trade

Once the options have been purchased, the trade may not be cancelled at any point prior to the expiration of the option.

12. MARGINING ARRANGEMENTS

Contingent liability

Where we effect or arrange a Transaction, you should note that, depending upon the nature of the Transaction, you may be liable to make further payments when the Transaction fails to be completed or upon the earlier settlement or closing out of your position. You may be required to make further variable payments by way of margin against the purchase price of the investment, instead of paying (or receiving) the whole purchase (or sale) price immediately. The movement in the market price of your investment will affect the amount of margin payment you will be required to make. We will monitor your margin requirements on a daily basis and we will inform you as soon as it is reasonably practicable of the amount of any margin payment required under this clause.

Margin call

You agree to pay us on demand such sums by way of margin as are required from time to time as we may in our discretion reasonably require for the purpose of protecting ourselves against loss or risk of loss on present, future or contemplated Transactions under this Agreement.

Failure to meet margin call

Please note that in the event that you fail to meet a margin call, we may immediately close out the position.

Form of margin

Margin must be paid in cash in currency acceptable by us, as requested from time to time by the Company. Cash Margin paid to us is held as client money in accordance with the requirements of the Client Money Rules. The net amount, if any, payable between us following such set-off, shall take into account the Liquidation Amount payable under Clause 15 (Netting).

Further assurance

You agree to execute such further documents and to take such further steps as we may reasonably require to perfect our security interest over and obtain legal title to the Secured Obligations.

Negative pledge

You undertake neither to create nor to have outstanding any security interest whatsoever over, nor to agree to assign or transfer, any of the cash margin transferred to us, except a lien routinely imposed on all securities in a clearing system in which such securities may be held.

In order for Namir Trade LTD to accept any deposits by you, the identification of the sender must be verified and ensure that the person depositing the funds is you. If these conditions are not met, Namir Trade LTD reserves the right to refund the net amount deposited via the method used by the depositor.

Interest

You, the client, acknowledge and confirm that no interest will be received on the balance of your account.

Overseas banks, intermediate broker, settlement agent or OTC counterparty

We will endeavor to hold client funds on your behalf within the European Union, however we may also hold your funds in a bank established outside the European Union. The legal and regulatory regime applying to any such bank or person might be different from the legal and regulatory regime in the European Union and in the event of the insolvency or any other analogous proceedings in relation to that bank or person, your funds may be treated differently from the treatment which would apply if the funds was held with a bank in an account in the European Union. We will not be liable for the insolvency, acts or omissions of any third party referred to in this clause.

Unclaimed client funds

You agree that we may cease to treat your funds as client funds if there has been no movement on your balance for six years. We shall write to you at your last known address informing you of our intention of no longer treating your balance as client funds and giving you 28 days to make a claim.

Rights on Default

On the occurrence of an Event of Default, we may exercise our rights under this clause, except that in the case of the occurrence of any Event of Default specified in Clause 15.2 or Clause 15.3 of the definition of Events of Default (each a “Bankruptcy Default”), the automatic termination provision of this clause shall apply.

Liquidation Date

Subject to the following sub-clause, at any time following the occurrence of an Event of Default, we may, by notice to you, specify a date (the “Liquidation Date”) for the termination and liquidation of Transactions in accordance with this clause.

Automatic termination

The date of the occurrence of any Bankruptcy Default shall automatically constitute a Liquidation Date, without the need for any notice by us and the provisions of the following sub-clause shall then apply.

Calculation of Liquidation Amount

Upon the occurrence of a Liquidation Date:

1. neither of us shall be obliged to make any further payments or deliveries under any Transactions which would, but for this clause, have fallen due for performance on or after the Liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount (as defined below);
2. we shall (on, or as soon as reasonably practicable after, the Liquidation Date) determine (discounting if appropriate), in respect of each Transaction the total cost, loss or, as the case may be, gain, in each case expressed in the Base Currency specified by us in writing or, failing any such specification, the lawful currency of the United States (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position) as a result of the termination, pursuant to this Agreement, of each payment or delivery which would otherwise have been required to be made under such Transaction (assuming satisfaction of each applicable condition precedent and having due regard, if appropriate, to such market quotations published on, or official settlement prices set by the relevant exchange as may be available on, or immediately preceding, the date of calculation); and
3. we shall treat each cost or loss to us, determined as above, as a positive amount and each gain by us, so determined, as a negative amount and aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "Liquidation Amount").

Payer

If the Liquidation Amount determined pursuant to this clause is a positive amount, you shall pay it to us and if it a negative amount, we shall pay it to you. We shall notify you of the Liquidation Amount, and by whom it is payable, immediately after the calculation of such amount.

Other transactions

Where termination and liquidation occurs in accordance with this clause, we shall also be entitled, at our discretion, to terminate and liquidate, in accordance with the provisions of this clause, any other transactions entered into between us which are then outstanding.

Payment

The Liquidation Amount shall be paid in the Base Currency by the close of business on the Business Day following the completion of the termination and liquidation under this clause (converted as required by

applicable law into any other currency, any costs of such conversion to be borne by you, and (if applicable) deducted from any payment to you). Any Liquidation Amount not paid on the due date shall be treated as an unpaid such amount and bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the Cambodia interbank market (or, if no such rate is available, at such reasonable rate as we may select) plus one 1% per annum for each day for which such amount remains unpaid.

Base Currency

For the purposes of any calculation hereunder, we may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as we shall reasonably select.

Payments

Unless a Liquidation Date has occurred or has been effectively set, we shall not be obliged to make any payment or delivery scheduled to be made by us under a Transaction for as long as an Event of Default or any event which may become (with the passage of time, the giving of notice, the making of any determination hereunder, or any combination thereof) an Event of Default with respect to you has occurred and is continuing.

Additional rights

Our rights under this clause shall be in addition to, and not in limitation or exclusion of, any other rights which we may have (whether by agreement, operation of law or otherwise).

Application of netting to Transactions

This clause applies to each Transaction entered into or outstanding between us on or after the date this Agreement takes effect.

Single agreement

This Agreement, the particular terms applicable to each Transaction entered into under this Agreement, and all amendments to any of them shall together constitute a single agreement between us. We both acknowledge that all Transactions entered into on or after the date this Agreement takes effect are entered into in reliance upon the fact that the Agreement and all such terms constitute a single agreement between us.

17. RIGHTS ON DEFAULT

Default

On an Event of Default or at any time after we have determined, in our absolute discretion, that you have not performed (or we reasonably believe that you will not be able or willing in the future to perform) any of your obligations to us, in addition to any rights under the clause 16 (Netting) we shall be entitled to take the following actions, without prior notice to you:

2. to sell such of your investments as are in our possession or in the possession of any nominee or third party appointed under or pursuant to this Agreement, in each case as we may in our absolute discretion select or and upon such terms as we may in our absolute discretion think fit (without being responsible for any loss or diminution in price) in order to realise funds sufficient to cover any amount due by you hereunder; and/or

3. to close out, replace or reverse any Transaction, buy, sell, borrow or lend or enter into any other Transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our loss or liability under or in respect of any of your contracts, positions or commitments; and/or

This Agreement shall be for the benefit of and binding upon us both and our respective successors and assigns. You shall not assign, charge or otherwise transfer or purport to assign, charge or otherwise transfer your rights or obligations under this Agreement or any interest in this Agreement, without our prior written consent, and any purported assignment, charge or transfer in violation of this clause shall be void. You agree that we may without further notice to you and subject to Applicable Regulations, transfer by whatever means we consider appropriate all or any of our rights, benefits, obligations, risks and/or interests under this Agreement to any person who may enter into a contract with us in connection with such transfer and you agree that we may transfer to such person all information which we hold about you.

Time of essence

Time shall be of the essence in respect of all obligations of yours under this Agreement (including any Transaction).

Rights and remedies

The rights and remedies provided under this Agreement are cumulative and not exclusive of those provided by law. We shall be under no obligation to exercise any right or remedy either at all or in a manner or at a time beneficial to you. No failure by us to exercise or delay by us in exercising any of our rights under this Agreement (including any Transaction) or otherwise shall operate as a waiver of those or any other rights or remedies. No single or partial exercise of a right or remedy shall prevent further exercise of that right or remedy or the exercise of another right or remedy.

Partial invalidity

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired.

21. GOVERNING LAW AND JURISDICTION

Governing law

This Agreement shall be governed by and construed in accordance with Mauritius law.

Jurisdiction

Each of the parties irrevocably:

i. agrees for our benefit that the courts of Mauritius shall have jurisdiction to settle any suit, action or other proceedings relating to this Agreement ("Proceedings") and irrevocably submits to the jurisdiction of such courts (provided that this shall not prevent us from bringing an action in the courts of any other jurisdiction); and

ii. waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court and agrees not to claim that such Proceedings have been brought in an inconvenient forum or that such court does not have jurisdiction over it.

Waiver of immunity and consent to enforcement

You irrevocably waive to the fullest extent permitted by applicable law, with respect to yourself and your revenue and assets (irrespective of their use or intended use) all immunity on the grounds of sovereignty or other similar grounds from suit; jurisdiction of any courts; relief by way of injunction, order for specific performance or for recovery of property; attachment of assets (whether before or after judgment); and execution or enforcement of any judgment to which you or your revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agree that you will not claim any immunity in any Proceedings. You consent generally in respect of any Proceedings to the giving of any relief or the issue of any process in connection with such Proceedings, including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such Proceedings.

Service of process

If you are situated outside Mauritius, process by which any Proceedings in Mauritius are begun may be

served on you by being delivered to the address in Mauritius nominated by you for this purpose. This does not affect our right to serve process in another manner permitted by law.
